Archives Library Information Center (ALIC)

The Archives Library Information Center (ALIC) is more than a traditional library. Recognizing that our customers no longer expect to work within the walls of a library, these pages are designed to provide NARA staff and researchers nationwide with convenient access to content beyond the physical holdings of our traditional library. ALIC provides access to information on American history and government, archival administration, information management, and government documents to NARA staff, archives and records management professionals, and the general public.

Our physical [library location](#) is in the National Archives Building in College Park, MD.
