NARA Reports

Strategic Plan

NARA's Strategic Plan describes where we are headed. We use the 4-year Strategic Plan as our guide for aligning priorities and assigning resources. With the help of our staff and stakeholders, we take stock of accomplishments, make adjustments when needed, and improve the way we measure our success along the way.

Performance Budgets

NARA's Performance Budget is submitted to Congress with the President's budget in early February each year. Included with this transmittal are our budget justification and tables, as well as our performance plan, providing a direct link between strategic goals, annual accomplishments, and funding levels.
